

R E M A R K S

This Preliminary Amendment to the present divisional application replaces all claims of the parent application with new claims 9 and 10. Identical claims 9 and 10 were submitted by Amendment in the parent application, but were there held to be withdrawn from consideration owing to a requirement for restriction and constructive election.

The Preliminary Amendment also adds, to the specification, the cross-reference to the parent application required under 37 C.F.R. §1.78.

Entry is courteously requested.

Respectfully,

Christopher C. Dunham
